**Dear CBC Family,**

Thank you so much for the wonderful celebration of my retirement, as well as the warm expressions of love and generous gifts. I can't tell you how much you mean to me and Susan. Your love for us has sustained us through the years as we have grown together in this faith journey. I look forward to learning what God has in store for Community Baptist Church. I know it will be great because God does great things with those who love God, and follow God's way. I will keep you in my prayers as you venture into unexplored territory and ask that you do the same for me. I love you all and will see you again soon.

**Tim**
